Dear Sir/Madam,

I am writing to inform you of an exciting opportunity for your ITI passed (Electronics/Electrical/ Computer Science) students. Bharat Sanchar Nigam Limited (BSNL) is proposing a skill development training programme related to the latest Fiber to the Home (FTTH) technology. The training programme is aimed at equipping students with the necessary skills to secure suitable jobs in the telecommunications industry.

The 3 days training programme will be held at the BSNL Telephone Bhavan and will cover a range of topics related to FTTH technology, including installation, maintenance, and troubleshooting. The programme will be conducted by experienced trainers with extensive knowledge and expertise in the field.

We believe that this training programme will be highly beneficial for your students, and we would like to invite you to encourage your ITI passed (Electronics/Electrical/Computer Science) students to participate in the programme. The training will provide them with valuable skills and knowledge that will enhance their employability and help them secure suitable jobs in the telecommunications industry.

Interested candidates are requested to contact us on the following Whatsapp number: 0477-299 9999 for further details and to register for the training programme.

We look forward to your support in promoting this training programme to your ITI passed (Electronics/Electrical/Computer Science) students. Please let us know if you have any questions or need any further information about the programme. Our Mail ID: ftthalapuzha@gmail.com.
